

LICE CLINICS OF AMERICA

URGENT CARE FOR LICE REMOVAL

WHAT DO YOU DO WHEN YOUR CHILD HAS HEAD LICE? CALL THE EXPERTS 901-512-5780

We guarantee to take care of the problem so you can get your lives back and your child can get back to school.

Lice Clinics of America is the only lice clinic featuring the revolutionary AirAllé treatment. This is a FDA cleared medical device that is 99.3% effective in killing the eggs/nits and bugs and is a one time treatment. Parents and children are guaranteed to leave happy!

Our 3-Step Treatment Process to be LICE FREE

HEATED AIR
TREATMENT

STEP
1

Our trained technicians apply controlled heat to the head in sections which takes 30 minutes.

COMB-OUT

STEP
2

We will do a complete comb-out.

ACTIVE RINSE

STEP
3

To ensure the elimination of lice, a post-treatment rinse will be applied.
