1. Innies vs. Outies- Justin Cahill @JustybubPE-

Divide students into two teams. Each team will start on opposite sidelines of the playing area. Hoops will be scattered throughout the play area with beanbags inside and outside of the hula hoops. One team will be the "outies" and the other team will be the "innies". On the teachers signal, the outies will travel out to hoops and take bean bags out of the hoop, placing them beside the hoop. The innies will take beanbags that on the outside of the hoop and place them inside of the hoop. The team with the most beanbags inside or outside of the hoop at the end of the game will be deemed the winner.

2. Dribble 5- Kevin Tiller @Phyzedreview

Divide students into two teams. Each team will start on opposite sidelines of the playing area. Hoops will be scattered throughout the play area. Each student will need a basketball for this activity. On the teachers signal, students will dribble their basketball to a hoop on the opposite teams side of the playing area, dribble 5 times inside the hoop, and proceed to pick the hoop up bringing it back to their side of the playing area. The team with the most hoops at the end of the game will be deemed the winner.

5. Cone Flip Tag- Kevin Tiller- @Phyzedreview

The teacher will select 3-4 taggers. On the teachers signal, taggers will try to tag as many students as they can. If tagged, students must exit the playing area and flip a cone 180 degrees so that it lands upright on its base. Once a successful cone flip is completed, students may return to the game.

6. DIY nine Square in the Air- DIY Instructions from Mark Jungmann @NorthPolkWestPE
