Purple Jerseys –Enderman, enderman can tag people but they also can teleport into the houses. If they touch the mat with 1 foot, they start counting up to 5, when they get up to 5 they can go into the houses and tag people. They can only stay in the houses for up to 3 seconds and must get out after that.

Blue Jerseys and Goggles - Zoomies – Zoombies wear goggles and tag oersons, They tag oersons in the legs or arms. If the Oerson is tagged in the arm they hold it behind them and run around without the arm. If they get tagged in the leg they have to lift that leg and hop. Once they lose all 4 limbs they go the Spawing spot.

Everyone in the spawning spot can get out when there is a jail break called by the teacher. When in the spawning spot you must sit down. Anyone without a jersey can rescue one person in the spawning spot by holding onto the oerson's wrist/hand and walk or jog to the house. You cannot be tagged as long as you stay connected. They can rescue one person at time.

Diamond Sword (1/2 Noodle): The teacher can toss the Diamond sword out at any time during the game. Any Oerson can pick up the Diamond Sword. They can tag the Zoombies, Creepers, spiders, or Skeletons with it. This will freeze them temporarily. They need to do 10 jumping jacks or pushups before they enter the game again. Once the Oerson gets tagged with the Diamond Sword they must immediately drop it and any other Oerson can pick up the diamond sword.
