

# Once upon a time...

Conversations were  
had many years ago.  
Most folks felt this was  
not a good fit.

Janel felt desperation!

One former  
Coordinator listened  
with an open mind.

One HOSA Instructor  
expressed interest  
and a plan was  
developed.

We started small.

We learned a lot and  
promoted our  
success.

Soon, other schools  
began reaching out,  
asking to join in.

Our District CTE  
Supervisor took notice  
and blessed this  
venture.
