# SNAKES AND LADDERS
## Dice Key

| | |
|---|---|
| 1 | As a group throw and catch a ball so that everyone gets 5 throws and 5 catches each |
| 2 | Write a story that involves each member of your team (or continue a story you have started already) |
| 3 | Using a deck of playing cards, deal two cards to each person in your team. Add the cards together then order the answers from either smallest to largest or largest to smallest |
| 4 | Using each member of your team what is the longest line you can make (If doing this for a repeated time try using a different method to make your line) |
| 5 | Using the Alphabet A-Z- As a group write the letters down the side of your page- Write a word for the first five letters of the alphabet that matches the letter (if doing this for a repeated time start at the next letter you are up to. If you finish the alphabet try writing a second word that matches the letter |
| 6 | Can you spell your name? Using what is in your pencil case can you spell your first name at your table. (If doing this for a repeated time can you use one of your other names) Each group member needs to do this |
