BEST FOR ALL

We will set all students on a path to success.

ACADEMICS

ALL TENNESSEE STUDENTS WILL
HAVE ACCESS TO A HIGH-QUALITY
EDUCATION, NO MATTER WHERE
THEY LIVE

WHOLE CHILD

TENNESSEE PUBLIC SCHOOLS WILL
BE EQUIPPED TO SERVE THE
ACADEMIC AND NON-ACADEMIC
NEEDS OF ALL STUDENTS

EDUCATORS

TENNESSEE WILL SET A NEW PATH
FOR THE EDUCATION PROFESSION
AND BE THE TOP STATE TO BECOME
AND REMAIN A TEACHER AND
LEADER

Objectives

The participant will:

- Understand the process of vetting and posting of new resources to the Coordinated School Health Website and their role
- Be able to market the new resources within their district to: Teachers, Students, Administration, Parents and the Community
- Hear from different specialist speaking on new resources and how they can be utilized from a Coordinator perspective

Vetting of New Resources for the Coordinated School Health Website

Rubric

- A rubric was developed based on CDC's Characteristics of Effective Health Education Curriculum
- Six different rubrics were presented to a group of stakeholders and evolution ensued
- Two of the six were determined to be the most beneficial when evaluating health resources
- These two were combined for the formal rubric that all resources are evaluated by
- This was done to ensure only high-quality resources are being posted for public consumption

Coordinated School Health

Tennessee Coordinated School Health connects physical, emotional and social health with education through eight inter-related components. This coordinated approach improves students' health and their capacity to learn through the support of families, communities and schools working together. Coordinated School Health works with many partners to address school health priorities.
